

Magician Vicus Cruywagen

biography

The magic bug bit Magician Vicus Cruywagen at the age of 10, when he received a magic set from his grandfather. Since that day he has been in love with the mystery and art of magic and illusion.

Aged just 21, Vicus landed a prestigious four month engagement at one of Singapore's biggest theatres. Since then, he has performed in theatres, theme parks, casinos and on cruise liners around the world...Norway, Sweden, Denmark, Russia, Japan, Taiwan, Malaysia, Singapore, Thailand, the USA, Italy, Spain, Portugal, France and more!

Magic has been Vicus profession for the past 21 years. He builds his magic equipment in his own workshop, which gives his work a unique edge. In his spare time he also designs and builds magic equipment for other magicians, both locally and abroad.
